Our Support for PIAST INSTITUTE

As in the past our Chapter forwarded a Donation of \$250.00 to support work of Piast Institute. The Piast Institute, named after the legendary founder of Poland, is an independent, non-profit Institute centered in Hamtramck, MI. Piast Institute provides Polonia and the American public with unbiased information about current political, social and economic developments in Poland, and serves as a resource for the collection and dissemination of information and research. The Institute organizes and facilitates conferences, seminars, publications, public programs, lectures, and exhibits for the Polish American community, as well as for the wider society.

15th Ann Arbor Polish Film Festival

One of the more exciting and very much anticipated events in our community is coming up in the fall - Ann Arbor Polish Film Festival. This year the festival is organized by Polish Cultural Fund, in association with the U of M Polish Club and our Chapter. Festival is scheduled for November 8-9 and will take place in the Michigan Theater. The festival program is published at:
